Under Age User Letter to Parents/Guardians

Dear Parent/Legal Guardian,

This letter is to inform you that your child would like to participate in the YSFlight Headquarters (YSFHQ) community at ysfhq.com. Our forum and website are dedicated to YSFlight, a 100 percent free flight simulator in which nearly anything is possible. YSFlight Headquarters is one of the largest YSFlight communities on the Internet and attracts members from around the globe. Our members participate in many fun activities on YSFlight servers such as Airshows, Air Races, Virtual Airlines, and Aerial Combat.

Because YSFHQ falls under United States jurisdiction, we must comply with COPPA (Children's Online Privacy Protection Act). This means that all our users must either be at least thirteen (13) years old, or have a parent or legal guardian's permission to visit and be a member of our community.

As a member of our community your child will be able to do the following: (1) send and receive Private Messages (an internal e-mail); (2) read and post messages in the YSFHQ forums; (3) personalize certain areas of ysfhq.com that are controlled by your child such as, but not limited to, his/her profile page and forum signature; (4) text chat or talk with community members and YSFlight users on the YSFHQ website chat and official Team Speak 3 server.

With your approval, indicated by filling out the form on the next page, we will activate your child's account. Because some of the features on YSFHQ will allow your child to share personal information, we encourage you to monitor and/or supervise your child's Internet activities during his/her use of ysfhq.com. You may wish to set rules for your child about whom they can talk to and what general discussion topics are appropriate, and what personal information (if any) is appropriate to share. Please teach and remind your child to be cautious regarding the posting of personal information such as name, telephone number, address, or email on any website.

Our volunteer staff members have proved themselves to be responsible and mature members of our community and strive to ensure YSFHQ is a fun place to be. If you have any questions or concerns, please feel free to contact us at team@ysfhq.com.

Sincerely,
The YSFHQ Staff
